Q1 Letter attach to email 26/07/2019		<p>2.3 Financial situation</p> <p>You requested that the Bidder deliver that he had adequate sources of funding to meet the requirements for cash flows for work, and as a proof, a FIN 3.3 form was requested in which sources of funding.</p> <p>Question: Can contracts for lease of business premises owned by the Bidder proving the origin of the financing be attached under other financial means?</p>	<p>In the Bidding document, Section III. Evaluation and Qualification Criteria, 2. Qualification, 2.3 Financial Situation, 2.3.3 Financial Resources, is stipulated qualification criteria for financial resources and Bidders will also have to demonstrate that they have adequate sources of funding to meet the cash flow requirements for work currently under way and for future contractual obligations.</p> <p>In the Form FIN 3.3 Financial Resources, Bidders specifying proposed sources of financing, such as liquid assets, unencumbered real assets, lines of credit and other financial means, net of current commitments, available to meet the total cash flow demands of the subject contract or contracts as indicated in Section III, Evaluation and Qualification Criteria.</p>
Q2		<p>2.3 Financial situation</p> <p>You requested that the Bidder submit a National Bank of RS certificate that it was not blocked for one day in the last 36 months issued after the day of the public call.</p> <p>Question: Was the Bidder having only one block day in the</p>	<p>In the Bidding document, Section III. Evaluation and Qualification Criteria is stipulated that the Bidder's bank account was not blocked for one day in the past 36 months preceding the date of the tender publication.</p>

		<p>previous 36 months participating in the public procurement procedure. We consider that one day should not be a problem, if the Bidder meets all other requirements in some cases and more than required and if the Bidder's Bidder's list, the value of the total property in the possession and the Bidder's existence, shall be taken into account.</p>	
Q3		<p>2.5 Personal and technical capacity You have requested that the Bidder has at least 10 employees in the capacity of staff, in which it must have: minimum 3 graduated engineers (agricultural / food technology or equivalent), minimum 3 mechanics or electrical technicians or an appropriate (installer-servicer), and as proof confirmation of the central register of compulsory social security on the number of employees on the day of publication of the public procurement.</p> <p>Question: Is the Bidder able to submit a Labor Contract, a Complementary Work Contract, a Contract on Occasional and Temporary Business or a Dispatching Work, which demonstrates the engagement of the requested employees in the affairs related to the public invitation.</p> <p>Considering that a technological solution for party 2 is attached to each subject facility, we do not see the reason for engagement, graduated engineers of agricultural technology. It is also not understandable the request of</p>	<p>In the Bidding document, Section III. Evaluation and Qualification Criteria, 2. Qualification, 2.5 Personnel and technical capacity, 2.5.1. Personnel capacity, in the Documentation Required it is stipulated that Bidder should provide required documents in a form of original or a copy of the certificate from the Central Registry of Compulsory Social Insurance on the number of employees on the day of the public procurement announcement. In addition, Bidders should provide copies of driving licenses, or in the case of a foreign bidder, certificates of another competent authority.</p> <p>According to the requirements stipulated in the Bidding Documents, Section III Evaluation and Qualification Criteria, 2. Qualification, 2.5 Personnel and technical capacity, under the requirements for Lot No. 2 and 3 is stipulated the minimum of employees and professions which the Bidder has to have. These criteria are also important for Related Services and Completion Schedule stipulated in Tender documentation defined in the Section VII. Schedule of Requirements.</p>

		<p>the Purchaser for the engagement of 3 mechanics or electrical technicians.</p> <p>Please consider once again the requirements, since the subject of delivery and installation of kitchen equipment and other than certified workers are not required. Considering that in terms of technical capacity for vehicles, machines and tools you allow the Lease Agreement to be attached as proof, we do not see the reason why you require a social security and a labor contract to apply for staffing capacity, and not some of the other above Work Contracts engagement.</p> <p>With this requirement, you reduce competition.</p>
