

DECISION DOCUMENT
of the First Call for proposals

Based on the Protocol on Cooperation in Science and Technology between The Ministry of Education, Science and Technological Development (MESTD) of the Republic of Serbia and The Scientific and Technological Research Council of Turkey (TÜBİTAK), signed in Belgrade on October 7, 2019, and on the call for proposals for joint research projects, announced by the Ministry of Science and Technological Development of the Republic of Serbia and The Scientific and Technological Research Council of Turkey (TÜBİTAK) respectively in 2020, the two sides agreed as follows:

MESTD received 82 proposals and TÜBİTAK received 79 proposals for joint research projects. However due to three proposals have not been submitted to TÜBİTAK, these projects proposals could not be included to evaluation process by TÜBİTAK.

Both sides have reviewed 79 matching project proposals submitted to the joint call. They have come to the agreement to co-finance 10 (ten) project proposals. The approved projects and amounts of funding are listed in Annex I.

The duration of the projects is indicated in the Annex I. If necessary, the duration of the projects can be expanded with mutual consent.

Done in Belgrade and in Ankara in two original copies in English language.
